To Whom It May Concern:

This is a letter of recommendation for Mikki Barker, Web Design and Maintenance Contractor. Mikki has worked with us from the initial construction of our website to this date. Mikki has been most helpful, prompt and knowledgeable in helping us with our site and maintaining it on a regular basis.

When we need an update or regular changes we send them to Mikki and they are put on the site in a most speedy manner. She is very creative and we often just lay it in her lap and she runs with not only the information we give her but has to come up with a design as well. She always does this in such a helpful manner to us who are not knowledgeable of web design in the least.

She is a joy to work with and we look forward to many years of productive websites while working with Mikki.

Thanks,
